Cape Coast Adventure Weekend

The Cape Coast Adventure Weekend entices both history lovers and adventurers alike. The weekend begins with a long drive west of Accra before a tour of Cape Coast Castle, once a notorious fort used to hold slaves awaiting exportation to the Americas. Afterwards, you can sit back and relax with an overnight stay in Cape Coast.

The following morning, you'll visit Kakum National Park, where a short hike through the forest floor is followed by a walk at canopy level - 300ft above the ground! After the morning's exertions, you will stop for lunch at Hans Cottage, a restaurant set over a crocodile pond, before heading back to your volunteer base.
